

AURA[®]

BATH & SPA

LUXURIOUS MATTE FINISH
ACRYLIC PAINT & PRIMER

Color Richness for High-Humidity Environments

AURA[®] Bath & Spa is a premium interior coating specially formulated for optimal performance in high-humidity areas such as baths and spas. With the added benefits of Color Lock[®] Technology and mildew resistance, it delivers remarkable durability and exceptional color.

KEY FEATURES	BENEFITS
Provides a mildew resistant coating	Maintain a fresh look that lasts
Proprietary Color Lock [®] Technology	Stands up to repeated washing with no color rub-off
Superior coverage and hide	Complete projects in less time using fewer coats
